**New York State Broadband Program Office**

November 4, 2013

# About the ACLP

## *Focus Areas*

- Analyze public policies impacting the deployment, adoption, and use of broadband in NYC, NYS, and the U.S.
- Work with policymakers to develop and implement rational, forward-looking frameworks

## *Recent Papers*

- Broadband in NYS
- Municipal Broadband
- IP Transition

# Framework for Broadband

# Successful PPP Model on Demand Side

*Stakeholders in the public, private, and nonprofit sectors collaborate throughout the development and deployment of demand side activities. Public resources are used to realize well defined goals for broadband in communities.*

*Recognizing that each user group faces a distinct set of barriers to more robust broadband adoption, expert organizations use public resources to tailor education and outreach initiatives in discrete under-adopting communities.*
